

Curb-Sider[®]

*Superior Performance.
Amazingly Compact.
Easy To Use.*

Curb-Sider[®] Vehicle Lift

The Essence of Form and Function

- **Effortless loading** from behind the bumper or curbside makes the Curb-Sider the king of convenience.
- The **powerful lifting capacity** is the hallmark of the Curb-Sider. Virtually every mobility device can be handled, with a lifting capacity of 400 lbs./181 kgs.
- The **compact beauty** of the Curb-Sider is enhanced by its **automotive styling** and scratch resistant black textured finish that gracefully compliment your vehicle and requires a **minimal amount of space**.
- The Curb-Sider's **modularity** is renowned. Hundreds of sub bases and docking devices, and the new Adjustable Sub Base, mean this magnificent unit can fit into scores of vehicles.
- An easy-to-operate **Fold-Down Lift Head** allows partial 3rd row seating access or cargo space (where applicable) and improved driver visibility when a mobility device is not present. Optional quick release pins make this a snap.
- The elegantly styled Curb-Sider has been redesigned with the industry exclusive **Direct Gear Drive Technology** for unmatched performance.
